

****Important Information Regarding the PACE Outreach Program****

The **PACE** Program partners with **Benefits Data Trust (BDT)** to conduct outreach and enrollment services. **BDT** assists the **PACE** Program in identifying older Pennsylvanians that may qualify for the program and helps individuals complete the program's enrollment application.

BDT conducts their outreach through direct mail and outbound calls. Benefits Outreach Specialists from their Application Center talk individuals through the application process and can submit the application to the program on the individuals' behalf.

BDT is located in Philadelphia, Pennsylvania but offers a toll-free number for individuals to call with questions, **1-866-712-2060**.
